Strategic Callout

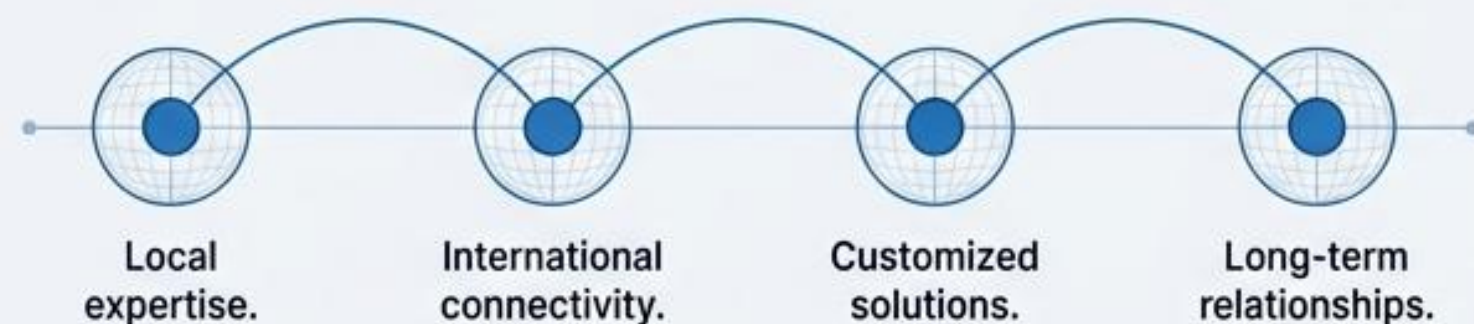

Strategic Presence in Oman

WINASIA SHIPPING & LOGISTICS LLC
(Muscat, Sultanate of Oman)

WINASIA — Winning Trust

A Maritime Logistics Partner Built Around Global Connectivity

Winasia Maritime Private Limited is a maritime logistics company focused on NVOCC and integrated shipping solutions. With capabilities spanning containerized cargo (20' / 40' dry, reefer, ISO tanks), freight forwarding, specialized equipment, and maritime services, Winasia is positioned to support both routine and complex cargo requirements across international trade lanes.

Company:	Winasia Maritime Private Limited
Business Focus:	Maritime & Logistics
Core Position:	NVOCC & Shipping Solutions
Key Markets:	Middle East, South Asia, Southeast Asia, East Asia, Africa
Oman Presence:	WINASIA SHIPPING & LOGISTICS LLC, Muscat

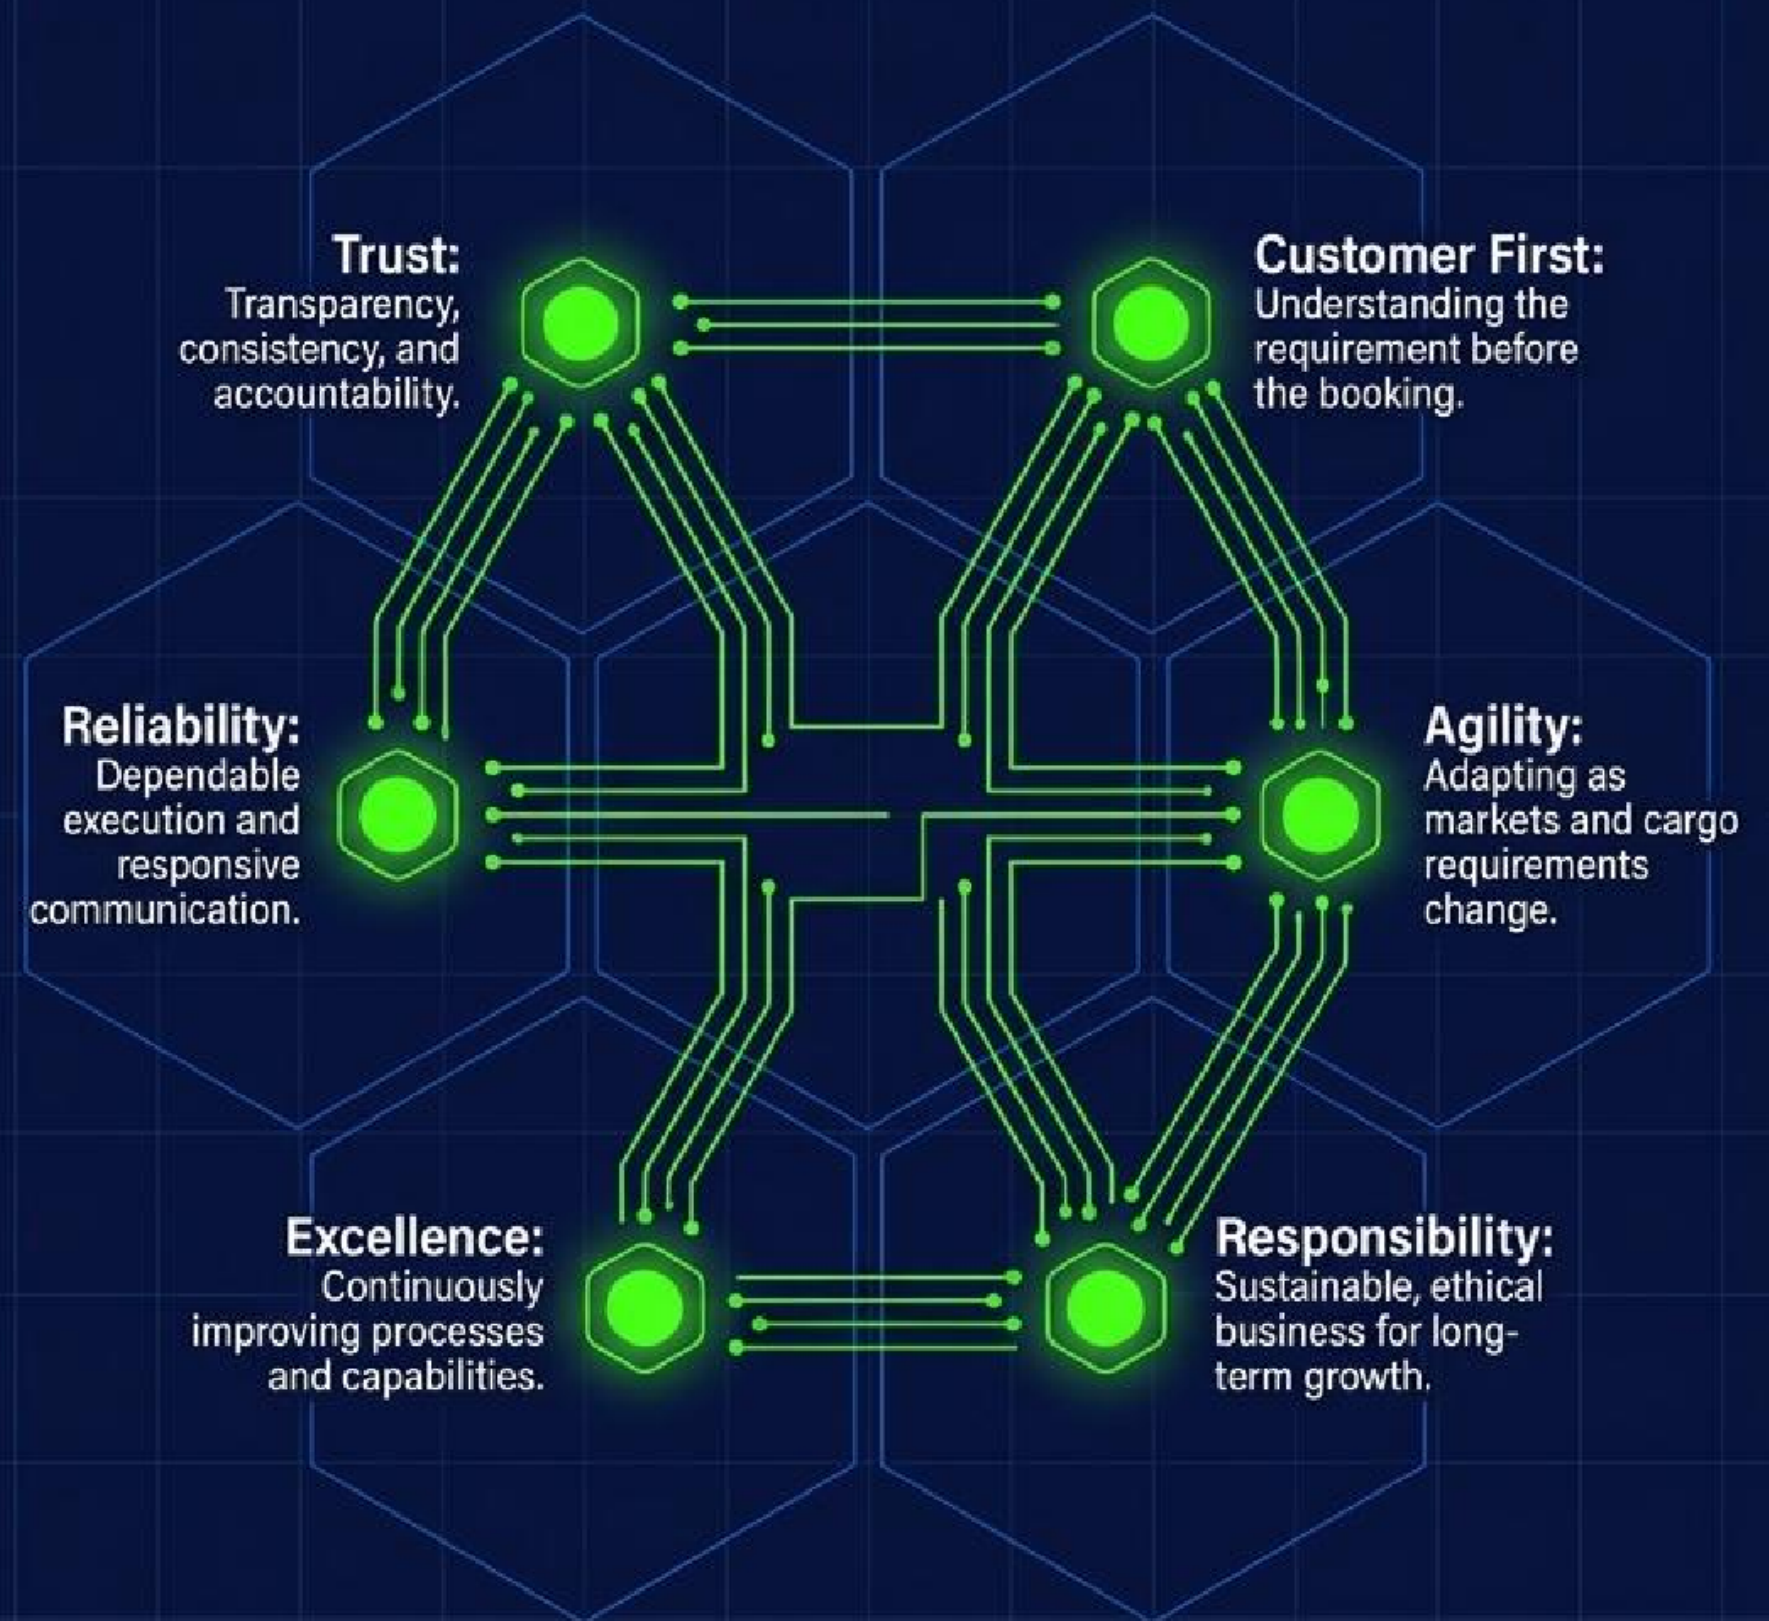

From Cargo to Connection

**More Than Moving Cargo.
We Enable Trade.**

Core Philosophy Statement:

Global trade depends on more than vessels and containers. It depends on coordination, reliability, equipment availability, route knowledge, documentation, and people who understand the movement of cargo from origin to destination.

Our focus is simple: Make international cargo movement more connected, more efficient, and easier to manage.

One Network. Multiple Shipping Solutions.

A fully integrated maritime
service ecosystem.

Your Cargo. Our Network. One Connected Solution.

MOVING A STRONGER TOMORROW

Flexibility When You Need It. Consistency When You Expect It.

The Shipping Modality Matrix

LINER SERVICES (The Consistent Path)

- **Cargo Type:** Regular, recurring commercial cargo.
- **Routing:** Established, fixed international trade lanes.
- **Schedule:** Predictable, scheduled departures.
- **Ideal For:** Standard containerized supply chains.

TRAMP SERVICES (The Flexible Path)

- **Cargo Type:** Project cargo, bulk cargo, special handling.
- **Routing:** Unique, on-demand destinations.
- **Schedule:** Irregular, adaptable schedules.
- **Ideal For:** Heavy, complex, or time-sensitive charter requirements.

The Right Equipment for the Right Cargo

The Container & Equipment Grid

Cargo Types	20'/40' GP	Reefer	ISO Tank	Open Top / Flat Rack	Platform / Reinforced
General & Dry Cargo	✓				
Temperature-Sensitive		✓			
Bulk Liquids (Chemicals/Food)			✓		
Heavy, High & Out-of-Gauge (OOG)				✓	
Large & Awkward					✓
High-Density					✓

Lease
(Flexible Terms)

Total equipment availability
and lifecycle management.

Connecting Markets. Connecting Opportunities.

Our International Shipping & Port Network

Connecting businesses across emerging markets and established trade lanes with local expertise and international scale.

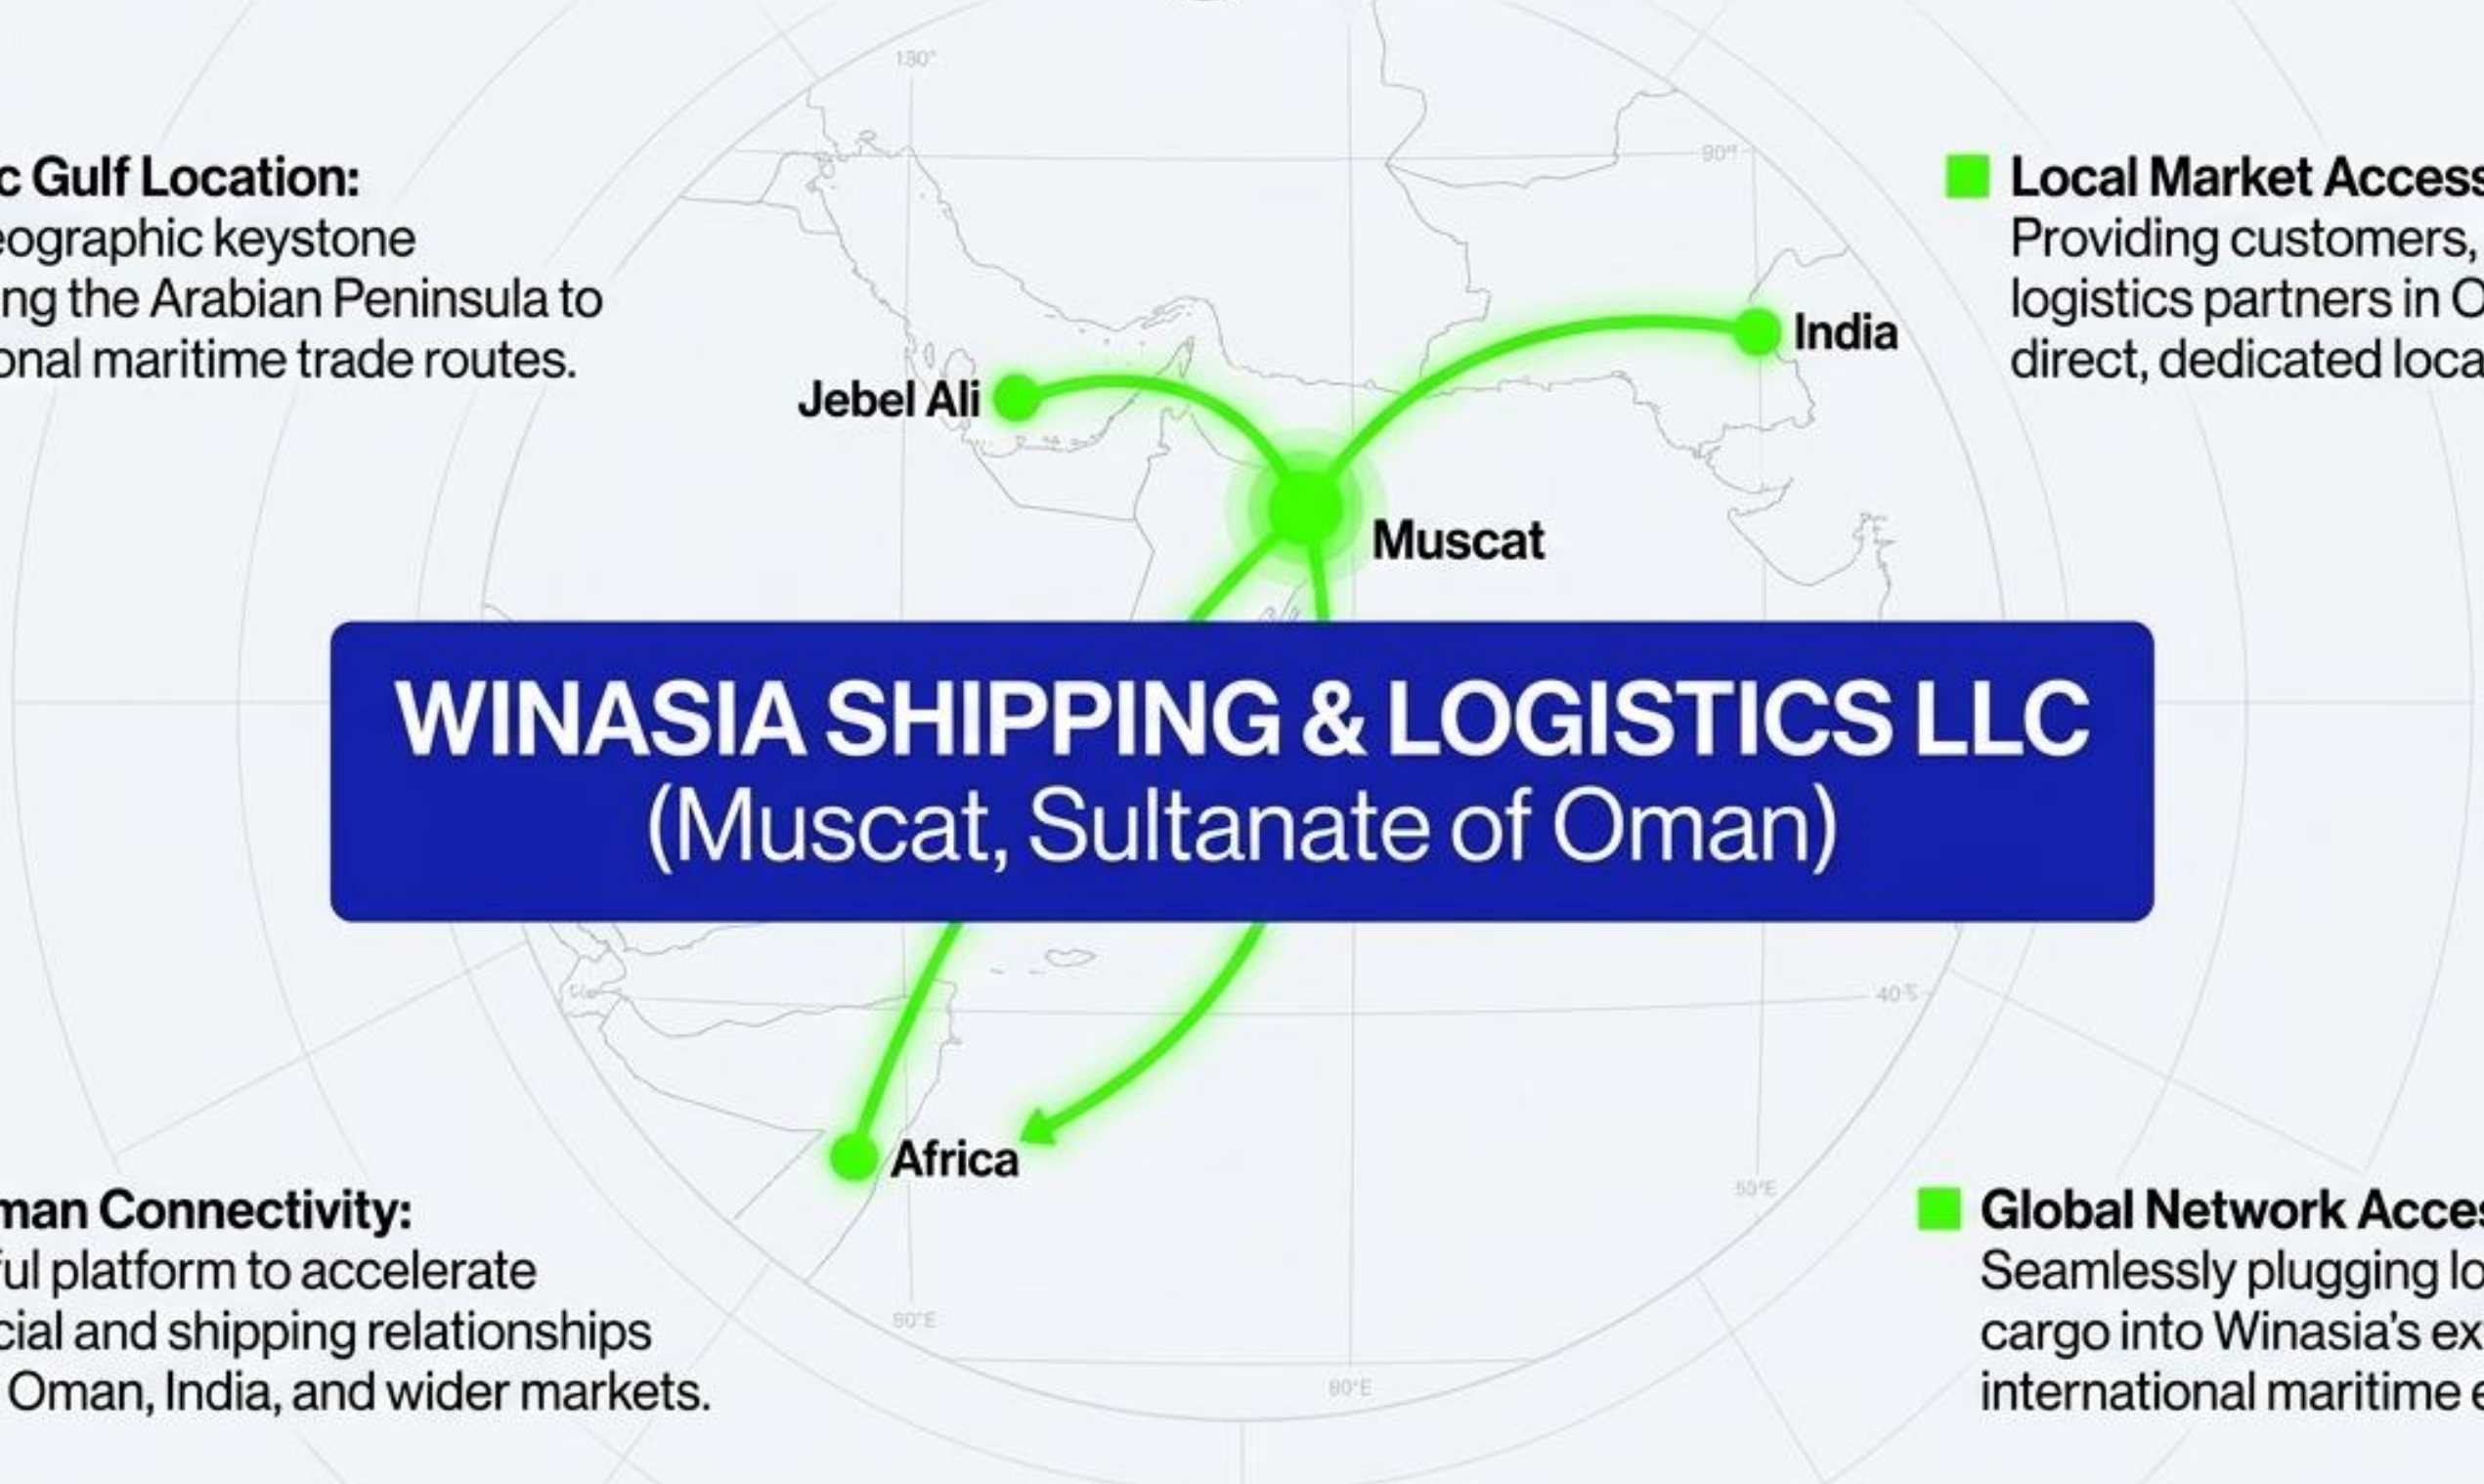

Winasia in Oman: Connecting the Sultanate to Global Trade

■ Strategic Gulf Location:

A vital geographic keystone connecting the Arabian Peninsula to international maritime trade routes.

■ Local Market Access:

Providing customers, agents, and logistics partners in Oman with a direct, dedicated local interface.

WINASIA SHIPPING & LOGISTICS LLC
(Muscat, Sultanate of Oman)

■ India–Oman Connectivity:

A powerful platform to accelerate commercial and shipping relationships between Oman, India, and wider markets.

■ Global Network Access:

Seamlessly plugging local Omani cargo into Winasia's extensive international maritime ecosystem.

Visibility. Responsiveness. Control.

Origin → Customs Clearances → Sea Transit → Port Operations → Final Destination

The Visibility Pipeline

The Digital Data Flow

Documentation:

Coordinated compliance, bills of lading, and regulatory support synchronized with cargo movement.

Shipment Visibility:

Real-time tracking and reporting throughout the logistics process.

Communication:

Responsive, proactive coordination between customers, partners, and logistics stakeholders.

Operational Support:

A dedicated team managing requirements and exception handling throughout the shipment lifecycle.

Trust is Built on Proof.

We don't just promise reliability; we quantify it. Every metric represents a successful cargo journey, a satisfied partner, and a connection made.

Logistics Built Around Your Cargo.

Manufacturing & Industrial

Handling machinery and components via GP and Open Top containers.

Chemicals & Liquids

Safe, compliant transport utilizing specialized ISO Tanks.

Project Cargo & Engineering

Moving heavy, oversized infrastructure equipment via Flat Racks and Tramp chartering.

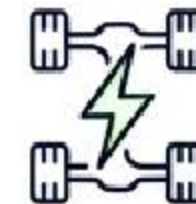

Food & Perishables

End-to-end cold chain management utilizing our Reefer container fleet.

Trading & Commercial

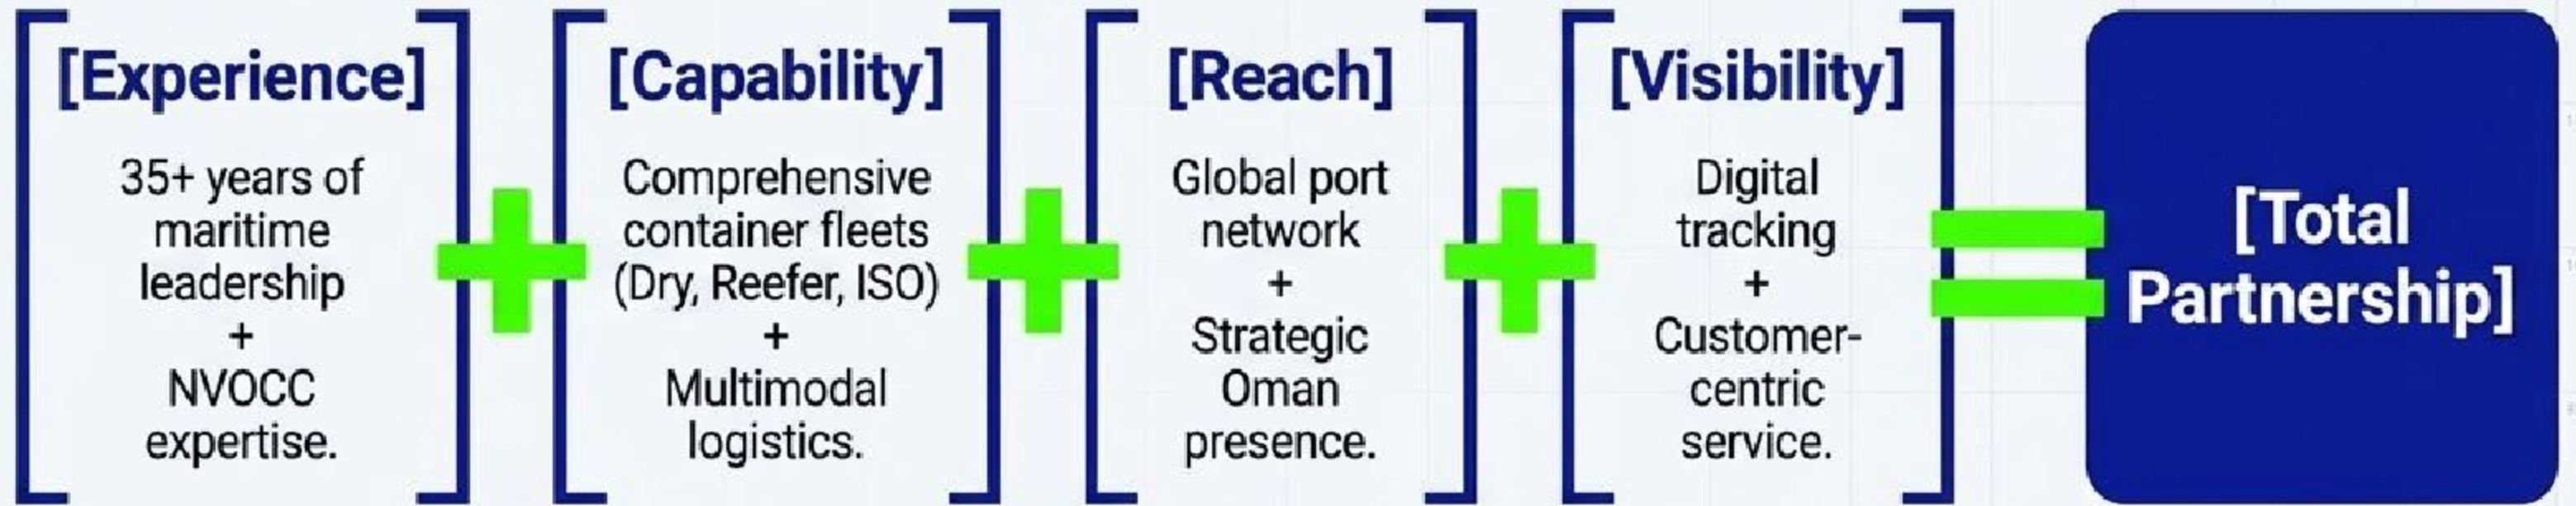

High-volume import/export movements driven by our Liner NVOCC network.

Automotive & Energy

Specialized logistics for vehicles, components, and energy sector equipment.

Why Choose Winasia?

Responsible Business

Growing Responsibly: We believe sustainable growth creates value for the entire maritime ecosystem.

Environmental: Route optimization and energy-efficient practices.

Ethical: Unwavering compliance, transparency, and community development.

Your Cargo Deserves More Than a Booking. It Deserves a Partner.

We combine maritime expertise,
multimodal logistics capability, and
international connectivity to help your business
move cargo with absolute confidence.

We listen. We coordinate. We adapt. We deliver.

Let's Move Your Business Forward.
